

MAJOR TRAFFIC PATTERN CHANGES ON I-95 & I-395 IN BALTIMORE CITY

New traffic patterns accommodate ongoing roadwork Changes begin on or about May 30

Southbound I-95/I-395

- On or about **August 15**: The I-395 southbound to I-95 southbound will reopen to two full lanes.
- On or about **August 14 – approximately Mid-September**: Southbound I-95 traffic will be shifted to the right from south of the Fort McHenry Tunnel to the 295 exit ramp. The work zone will occur on the left shoulder.

Northbound I-95

- On or about **August 15 – August 31**: Two lanes to the left and two to the right on I-95 between the Caton Avenue on-ramp to just north of Russell Street. Use the left lanes for through traffic and **MOVE RIGHT** for Baltimore exits.

- On or about **August 27 – approximately Mid-September**: Northbound I-95 traffic will be split 3 lanes to the left, 1 to the right. Use the right lane **ONLY** for Exit 52 (Russell Street). Traffic exiting at 53 (Downtown) and 55 (Key Highway) will be able to use the left lanes to merge over at breaks in the construction zone. The on-ramp from 295 northbound to I-95 northbound and the exit ramp for Hanover Street (exit 54) will be closed during this 3 week construction period

Stay Alert So No One Gets Hurt!

- Work zone safety speed cameras will be activated in June on Northbound I-95.
- Work zone speeds on Northbound and Southbound I-95 are **50 mph**.
- Reduce speeds through work zones, stay alert and seek alternate routes during heavily traveled periods (6-9 a.m.; 3-7 p.m.).
